WEBINAR ETIQUETTE

When attending a class or meeting via Zoom, portray yourself in the best light possible as a professional by following these tips on preparedness and general Zoom etiquette.

- **Designate Your Workspace**
Ensure your workspace is quiet, clean, and has an appropriate background, or use virtual background.
- **Set Up Your Tech**
Check your Wi-Fi, test your video and audio, and get familiar with the software before entering the meeting.
→ Zoom Help Center- <https://support.zoom.us/hc/en-us/articles/206175806>
- **Communicate with the Host**
Zoom includes nonverbal feedback buttons for raising your hand, responding yes or no, asking the host to adjust speed, requesting a break, and more. Please use them.
- **Be Professional**
Be on time to meetings, dress appropriately, and sit tall and look directly into the camera when using the video.
- **Avoid Embarrassing Mistakes**
Pay attention to your video, microphone, and screen sharing settings to avoid embarrassing mistakes.
Always keep the chat rooms appropriate to the content of the session.

Please ensure that you have a working camera and are located in a semi-private environment to be able to fully engage in conversation for this training. *In addition, to receive full professional development credit you are expected to keep your camera on for the entire duration of the training and to be actively participating in all activities and discussions.* We understand that often technical difficulties prevent your use of a camera, please let us know when this occurs so we are aware of the situation.

Participants attempting to join the meeting 15 minutes or more after the meeting has begun will not be admitted.

Please remember to notify us if you are unable to attend in order to prevent getting locked out of future classes due to "NO SHOW" attendance status.

ETIQUETA DEL SEMINARIO WEB

Cuando asista a una clase o reunión a través de Zoom, demuestra lo mejor de ti como profesional siguiendo estos consejos sobre preparación y etiqueta general de Zoom.

- **Designar tu espacio de trabajo**
Asegúrese de que su espacio de trabajo sea silencioso, limpio y tenga un fondo adecuado, o use un fondo virtual.
- **Configura tu tecnología**
Verifique su Wi-Fi, pruebe su video y audio, y familiarícese con la tecnología antes de ingresar a la reunión.

Zoom Centro de Ayuda - <https://support.zoom.us/hc/en-us/articles/206175806>
- **Comunicarse con la anfitriona**
Zoom incluye botones de comunicación no verbal para levantar la mano, responder sí o no, pedirle al anfitrión que ajuste la velocidad, solicitar un descanso y más. Por favor, úselos de ser necesario.
- **Ser Profesional**
Llegue a tiempo a las reuniones, vístase adecuadamente, siéntese derecha y mire directamente a la cámara cuando use el video.
- **Evita errores vergonzosos**
Preste atención a la configuración de video, micrófono y pantalla compartida para evitar errores vergonzosos. Mantenga siempre las salas de chat adecuadas al contenido de la sesión.

Asegúrese de tener una cámara trabajando y estar ubicada en un entorno semiprivado para poder participar plenamente en la conversación para esta capacitación. Además, para recibir el crédito de desarrollo profesional completo, se espera que mantenga su cámara encendida durante toda la duración de la capacitación y que participe activamente en todas las actividades y discusiones. Entendemos que a menudo las dificultades técnicas impiden el uso de una cámara, por favor háganoslo saber cuándo esto ocurra para que estemos al tanto de la situación.

No se admitirán los participantes que intenten unirse a la reunión 15 minutos o más después de que haya comenzado la reunión.

Recuerde notificarnos si no puede asistir para evitar que se le bloquee en futuras clases debido al estado de asistencia "NO SHOW".

THE GROWING BRAIN –BRAIN BASICS

This innovative training curriculum gives early care educators evidence-informed strategies to prepare for their vital role in building healthy brains. The curriculum fills a unique niche by providing a comprehensive understanding of how the brain develops, along with ways professionals can encourage healthy brain development in children from birth to 5 years old. Participants will learn the different names of parts or regions of the brain and their functions, gain an understanding of how nerve cells communicate and connect, and the role of early experiences in making connections between areas of the brain.

STRENGTHENING FAMILIES: THE 5 PROTECTIVE FACTORS-OVERVIEW

The five protective factors at the foundation of Strengthening Families are characteristics that have been shown to make positive outcomes more likely for young children and their families, and to reduce the likelihood of child abuse and neglect. Participants will be introduced to the Strengthening Families 5 Protective Factors: parental resilience, social connections, concrete supports in times of need, knowledge of parenting and child development, and social and emotional competence of children, and the role that they play in helping families in order to promote positive well-being. Participants will learn how to help families they serve navigate difficult situations to support healthy outcomes for children.
