New Jersey Child Care Assistance Program Overview and Application Instructions

As so many families know, child care costs can take up a lot of the monthly budget. The New Jersey Child Care Assistance Program (CCAP) is funded by the federal Child Care and Development Fund (CCDF) and provides financial assistance for child care on behalf of eligible families. CCAP can help lower-income families who are working, in training or in school, or a combination of these activities, to pay a portion of their child care.

Applying for Child Care Assistance

As an applicant/co-applicant seeking child care assistance, you will be required to provide proof of income, training/school hours and family size to help determine eligibility. All required documents must be submitted to be considered for assistance.

Applicant/Co-Applicant Eligibility Requirements

- Must be a New Jersey resident;
- Must meet income requirements and not have assets that exceed \$1 million; and
- Must be working full time (30 hours or more a week), attending school full time (12 credits or more), in job training (at least 20 hours a week), or have a full-time equivalent combination of these activities to meet the requirement.

Child(ren) Eligibility Requirements

- Up to the age of 13, or less than age 19, if under the NJ Division of Child Protection and Permanency's (DCP&P) protective supervision or mentally or physically incapable of self-care;
- Must be a U.S. citizen or qualified non-citizen; and
- Must reside with applicant/co-applicant (parent(s) or individual(s) acting as parent(s) (in loco parentis)).

Eligible Child Care Providers

- You can use your child care assistance at any licensed child care center, a registered family child care provider, approved home (in-home and family, friend or neighbor), school-based program or a summer youth camp that is approved by the state and accepts state payments.
- Eligible providers must comply with all Child Care and Development Block Grant (CCDBG) requirements including completing numerous health and safety trainings and required criminal background checks.

Completing and Submitting an Application

To get started, you must first complete, sign and submit the following application with all the required documents to your Child Care Resource and Referral (CCR&R) agency. To find your local CCR&R, visit www.ChildCareNJ.gov/CCRR or call 1-800-332-9227.

What happens next if my application is approved?

If approved, your CCR&R will send you a Parent/Applicant and Provider Agreement (PAPA) for each child for whom child care assistance is requested. You must complete this form and return to your CCR&R within ten (10) calendar days. The PAPA must be signed by both the applicant/co-applicant and child care provider and returned to your CCR&R prior to the expiration date indicated. Your CCR&R cannot initiate child care assistance payments until this agreement is signed and returned. Initial child care assistance approval (your period of eligibility) is for 12 months, unless you request a shorter period of care. You will receive an Application for Redetermination from your CCR&R prior to the end of your period of eligibility.

For more about eligibility requirements, applying for child care assistance, licensing information, a search to find child care in your area, provider inspection reports and information on what makes a quality program, visit www.ChildCareNJ.gov or call the Child Care Helpline at 1-800-332-9227.

- 6. The state has set maximum rates for what it pays for child care assistance. These rates vary depending on several factors including the age of the child and the type of provider. If your provider charges more than what the state covers, I (we) understand that I (we) are responsible for paying the difference.
- 7. I (we) are responsible for the copayment (copay) fee which is calculated by the CCR&R and based upon my (our) family size, annual income, hours of care needed and the age of my (our) children during the period of eligibility. - 9. I (we) must notify the CCR&R in person, by mail, phone, email or using the CC-198 Notification of Change Form, immediately or no later than 10 days from the occurrence, of any changes that may affect child care eligibility. This includes no longer needing care, relocation out of county or state, change of provider or type of care and/or if any income changes to exceed 85% of the State Median Income (Income Eligibility Chart available at www.childCareNJ.gov/Parents/CCAP).
- The assigned CCR&R is authorized to issue payment to only one child care provider per child for the specified period of eligibility.
